mailed October 7, 2005.

**In the Specification:**

Please delete the paragraph from Page 1, line 18 to page 2,  
line 30, and replace with the following text, which has  
underlining for additions and strike-through for deletions:

There are a number of infant breastfeeding accessories in  
the prior art that provide some assistance while breastfeeding.  
~~Leach~~ U. S. Patent No. 6,601,252 to Leach is one such device and  
provides a double pillowcase assembly and an anchor pad extending  
outwardly from the pillowcase assembly. This arrangement may  
provide support for a reclining mother, but does little to
